

B2B Group Bible Study – Wise Decisions

Big Idea: When you see enough bad decisions you begin to see patterns, and scripture addresses these issues brilliantly. Better decisions = better outcomes.

Seek the Lord. What is the council of the Lord? James 1:5 If any of you lack wisdom let him ask of God... & Prov 3:5 Lean not on your own understanding.

The longer the view the better the decision. - Isaiah 46:10 "I make known the end from the beginning, from ancient times, what is still to come."

The better the information the better the decision. Proverbs 18:13,17 "To answer before listening—that is folly and shame...In a lawsuit the first to speak seems right, until someone comes forward and cross-examines."

Don't rush. Remove the time pressure. Prov 19:2 cf. Pro 21:5- Also it is not good for a person to be without knowledge, and he who makes haste with his feet errs."

Seek godly council and generational council. Proverbs 11:14 "Where there is no guidance the people fall, but in an abundance of counselors there is victory." cf. Prov 18:1 & Prov 2:1-13

Be self-aware. Know your weaknesses, warning signs and triggers. Prov 17:10 Are you listening? "A rebuke goes deeper into one who has understanding than a hundred blows into a fool."

Do the thought work: REALLY think it through. Prov 14:15 the naive believes everything the prudent man considers his steps.
